Professional Summary

Computer Engineering student skilled in Python, SAP ABAP, Excel, Word, PowerPoint and full-stack development. Experienced in data analysis, documentation, report preparation, and business presentations. Strong problem-solving ability with leadership exposure.

Education

B.Tech in Computer Engineering

Pimpri Chinchwad College of Engineering, Pune

Coursework: DSA, Algorithms, DBMS, Web Development, Systems Design

Expected 2026

Technical Skills

Languages: Python, C, SAP ABAP, JavaScript, HTML, CSS

SAP ABAP: Reports, Forms, Enhancements, Debugging

SAP ERP: Inventory Management, Procurement, Production Planning, Finance Operations

Web: Full-Stack Development, Responsive Design, REST API Integration

MS Office: Excel (Formulas, Pivot, VLOOKUP), Word, PowerPoint

Tools: Git, SQL, Adobe Photoshop, Data Analytics Tools

Strengths: Data Analysis, Documentation, Report Preparation, Presentation Development

Training / Certifications

Deloitte Australia – Data Analytics Simulation

Virtual

- Performed data cleaning, visualization, and business insight reporting.

Forage Academy – Data Labeling Simulation

Virtual

- Worked on dataset annotation and quality assurance for AI/ML training.

Projects

Full-Stack Web Application Development

HTML, CSS, JS, SQL

- Built responsive web applications with REST API integration and database connectivity.

AI Music Recommendation using Emotion Recognition

Python, ML

- Designed an emotion-based recommendation system using preprocessing and ML integration.

Leadership Experience

President, International Students Club

2023 – 2025

Pimpri Chinchwad College of Engineering, Pune

- Led 50+ members and managed events with 300+ attendees including budgeting and logistics.

Achievements

- Organized college-level events with 300+ participants.
- Completed virtual job simulations in Data Analytics and AI/ML workflow.

Relevant Coursework

Data Structures and Algorithms, Database Management Systems (DBMS), Object Oriented Programming, Computer Networks, Operating Systems, Web Development, Systems Design

SAP ABAP Knowledge

- Strong understanding of Internal Tables, Work Areas, Data Dictionary (SE11), and Modularization.
- Familiar with Reports (Classical/Interactive), ALV Reports, and Debugging.

Positions of Responsibility

- Managed event execution, team coordination, and task allocation as President of International Students Club.
- Coordinated communication between students and college management during club activities.

Additional Information

Soft Skills: Communication, Leadership, Problem Solving, Time Management

Interests: AI/ML, Cloud Computing, SAP ERP, Emerging Technologies

Languages: English, Hindi
